Morgan Brownell

Welcome everyone to the Sweetheart/Junior/Teen Miss Rodeo Oregon Pageant. I am so excited to share in this experience with you. I sure hope you came to have a good time, learn, grow and make new friends. I will tell you these next two days are going to be packed full of new and exciting experiences and probably a few nervous moments; all of which you will make some incredible memories. Make sure you take it all in and enjoy these moments. I can honestly say my time at pageant was one of the greatest memories I have. Pageant led me on an adventure of unknowns which has led me on a journey that I could only have dreamt of. Dreams really do come true when you work hard at accomplishing them. Though the last 2, yes 2 years, were anything but what I expected, I wouldn't change them for the world. I have grown in areas that I didn't even know existed. Can you say social media, zoom and communications? These past years have been all about thinking outside of the box and making the best of what you are given or making your own opportunities. So just remember that no matter how these next couple days go and whatever the outcome, take what you can and learn from it, grow and make the best memories. It may not be what you expected, which lets face it, most things aren't what we expect but we can always make the best of it and go with the flow and be willing to adapt. I would like to say a quick thank you to my support team. There is absolutely no way I could have made it through without you. From my parents and sister who get me to where I need to be and support me no matter what crazy ideas I throw at them. To my family and friends down the rodeo road. Your support and confidence in me have been a true blessing. To my sponsors for trusting me and providing me with

so much. To the rodeo associations that would not give up and made rodeo happen during this crazy time. And to the MRO board for giving me this opportunity, I will cherish all the memories I have made.

Now is your time to shine, take it all in and enjoy. You have put the work in, have confidence in yourself and enjoy every minute.

Wishing you all the best,
Ainsley
Miss Teen Rodeo Oregon

Welcome everyone to the 17th annual Junior and Teen Miss Rodeo Oregon Pageant. It may seem like this is going to be a lot but let me tell you it's over before you know it so take it all in now. It's crazy to believe in so many ways we are already crowning the next girls to take our place and represent rodeo like no other. It has been a great honor to be able to represent rodeo not only these last few months but the year before that! I would like to say thank you to everyone that has helped from trying out for pageant 2 years ago to now. Even without just one of those people none of this would be the same. This has been such a wonderful experience and a once in a lifetime. I have been so honored and humbled to be able to represent the state for the last 2 years. The people I have met along the way being made into lifelong friends. I would also like to say a huge that you to all my sponsors from the ones that go un-noticed to the ones that everyone knows about. Being able to represent rodeo is such a great honor but to be able to do it for a whole state means so much. I would also like to say a huge thank you to the Miss Rodeo Oregon board who I feel goes a little un-noticed. They do more for us than you could ever think of and they are always there making sure everything is going to plan and running smoothly. Good luck to all the girls competing for not only the Jr and Teen title but also the Tillamook titles. Just remember everything happens for a reason and look for the positive in every situation. Whenever something is going wrong there's always a reason and that's what will make you stronger! I can't wait to see how everyone does and no matter the outcome have fun!

Good luck and have fun!
Morgan

Their generosity continues to ensure our success as an organization.

Our Junior/Teen Pageant Director, Tanya Marie Utberg has undoubtedly been burning the candle at both ends attending to every detail in preparation for this week. Thank you, Tanya, for your dedication to this organization and to the young ladies across our state that have traveled to Tillamook for this pageant. MISS TEEN RODEO OREGON

Ainsley Goughnour

Ainsley Goughnour is the 17 year old daughter of Matt and Cori Goughnour of St. Paul, Oregon. She has one sister, Alexis, who has encouraged her to follow her dreams of becoming a rodeo queen. Ainsley attends St. Paul High School where she is currently a senior. She's active in volleyball, basketball, 4-H, FFA, DECA, and Key Club. She is an officer in both 4-H and her FFA chapter. Outside of these activities she has a passion for photography. If she's not riding her horses or at sporting events she can usually be found taking pictures of other people with their horses, taking senior pictures, or learning new tricks with her camera.

Ainsley's partner throughout her year as Miss Teen Rodeo Oregon is Leo, a 6 year old Bay Dun Quarter Horse Gelding. Ainsley uses Leo for rodeo runs, parades, breakaway roping, gaming, ranch riding, 4-H, trail riding and anything else she can think of. Leo will be traveling to rodeos and parades with Ainsley throughout 2021.

Ainsley was awarded the title of Miss Teen Rodeo Oregon 2020 in June of 2019 at the Miss Rodeo Oregon Junior/Teen Pageant where she won the categories of horsemanship, knowledge, appearance, and overall sales. After many cancelations during 2020 keeping Ainsley from reaching her goals as Miss Teen Rodeo Oregon, Ainsley was offered the opportunity to extend her title through 2021 by the MROIF Board and she joyfully accepted.

Growing up in a rodeo town has played a huge role in her life and has shown Ainsley the importance of community and the impact you can have on people and she can't wait to share her passion with others. Ainsley is beyond excited and honored to be representing Oregon, rodeo, agriculture and the western way of life as she travels throughout the Northwest in 2020 and 2021.

In June 2019 Morgan found herself in Tillamook competing for the title of 2020 Junior Miss Rodeo Oregon. Along with coming home with the title, she won the categories of Horsemanship, Knowledge and Photogenics.

She will be a senior at Enterprise High School this fall. Destiny's school involvement includes FFA and Natural helpers. She participates in the 4-H horse program, and FFA with her swine and beef. Her mount today is 10-year-old AQHA bay gelding by the name of Opie. Destiny's unique personality led her to finding passion while riding steers in rodeo. Destiny had the pleasure of representing Oregon in 2015 as Jr Miss Rodeo Oregon. She's proud to represent Oregon in 2020-2021 as High School Rodeo First Attendant and the Chief Joseph Days Honorary Queen. When not with her many animals, Destiny enjoys family time spent mushroom hunting, camping, and boating on Wallowa Lake.

Why I want to become Miss Teen Rodeo Oregon: I love promoting rodeo and spreading knowledge of the sport throughout communities. The western way of life is important to me and my personal story being a rural Oregon cowgirl. Becoming Miss Teen Rodeo Oregon provides me a larger platform to share my passion for rodeo and the western lifestyle.

Horses Name: Dry Fire Dandy aka Opie
Horses Age: 10
Breed: American Quarter Horse

How would your horse describe you: My horse, Opie, would say that I am funny because I am a bit clumsy and do not take life too seriously. He would say I am compassionate because of the love and attention that I give to my friends, family, and animals, and that I am friendly because I like to meet new people. In addition, he'd say I am interesting and odd: interesting because I don't go with the flow and like to be my own person; and odd because I stand out in a crowd and am confident for my age. He would say I am loving, because I give people and animals, equally, each a fair shot and love them for who they are. And, lastly, Opie would say I am analytical because I like to know why things are the way they are.

Her mounts now include a big paint gelding named Rocky and the sweetest little mare you ever did see, Rosie.

She can often be found cheering on her talented big brother Gavin Price at his baseball games around the Pacific Northwest.

Sophie has grown up surrounded by pictures of her mom and Aunt Julie on their hometown St. Paul Rodeo court, and Julie's later adventures as 2015 Miss Rodeo Oregon. The pageantry she saw that year captivated Sophie and she impatiently awaited her turn to run for Miss Rodeo Oregon Sweetheart! She's delighted to be here and would love to thank everyone who has been behind her on her horse-loving journey!

THE FINALS RETURNING TO REDMOND, OR

Tickets go on sale July 1, 2021

Hello, my name is Maddie Coleman and I am honored to be serving as the 2021 Miss Columbia River Circuit. I am reaching out today to tell you a bit about myself and to share with you the mission of the Miss Columbia River Circuit program/pageant.

I grew up in St. Paul, OR on a large family-operated farm in the Willamette Valley. The St. Paul Rodeo inspired my lifelong love of horses and I spent many years showing on the Oregon Hunter Jumper Association Circuit. After high school, I attended Sweet Briar College in Sweet Briar, VA. At Sweet Briar, I studied biology and chemistry and had the opportunity to ride on 3 collegiate equestrian teams. After graduating in 2016, I returned home to Oregon to begin pharmacy school. During pharmacy school I

was a 2018 St. Paul Rodeo Princess and the 2019 Clackamas County Fair & Canby Rodeo Princess. Last June, I graduated from Oregon State University College of Pharmacy with a Doctor of Pharmacy degree. I currently reside in Hermiston, OR and serve patients throughout Eastern Oregon as a traveling pharmacist for a retail chain.

The Miss Columbia River Circuit pageant seeks to select a young woman from Washington, Oregon, and Northern Idaho to be the official representative of professional rodeo for the Columbia River Circuit. Miss CRC will promote the sport of rodeo and the western way of life to the general public. She will accomplish this by attending PRCA rodeos and related events in Washington, Oregon, and Northern Idaho. She will work with rodeo committees to determine how she may best meet their needs to promote their rodeo, sponsors and community. Ways Miss CRC may serve circuit rodeos include: supporting existing rodeo royalty in promotion of their event or at their pageant, riding in Grand Entry, carrying sponsor flags during rodeo performances, clearing cattle from the arena during timed events, attending local promotional events, and assisting stock contractors with general livestock care. As Miss CRC 2021, I look forward to building relationships with rodeo committees to further the sport we all love as well as to promote a new regional rodeo queen title. My experiences through participation on rodeo courts have been a blessing and have helped me in my own professional development, therefore, I have a strong desire to encourage other young women to pursue rodeo titles in their local community and beyond!

The 2022 Miss Columbia River Circuit Pageant will be held in October, 2021 during the 2021 PRCA Columbia River Circuit Finals. Young women ages 18-26 who have previously held a PRCA rodeo title are eligible to apply! Applications may be requested via email (misscrcpageant@gmail.com). The application deadline is September 1, 2021. I hope you will help me spread awareness of this title with interested young women in your community!

Best Wishes,

Maddie Coleman

Miss Columbia River Circuit 2021

Mikayla says, Gunner and I are honored to represent this absolutely amazing rodeo, the Biggest Little Show on the Coast, as Gunner has finally decided to give up the life of a bronc horse and live the life of royalty. They are honored to be able to represent this amazing county as your 2020-2021 Miss Tillamook County Rodeo Association. Mikayla would like to dedicate her year as queen to her late father, Timothy Bolte, an Iraqi veteran who passed away February 23rd, 2021, at the young age of 52, just by two days before her 20th birthday, and

GATLINS SUGAR JET MEMORIAL

Gatlins Sugar Jet known by most as Pete was Miss Teen Rodeo Oregon 20/21's equine partner for 7 years. He was lost unexpectedly during one of their casual rides at home. Pete and Ainsley had an exceptional bond that most people dream of having with a horse. Pete was her confidence builder, her safe place, secret keeper, partner and best friend.

Ainsley and Pete took part in many activities together, from everything 4-H had to offer, Western, English, showmanship, trail, parades, rodeos, gaming, ranch riding and trail rides. Winning many medallions, high points and buckles. There wasn't anything this pair wouldn't try. Bareback and bridle-less was not uncommon. Though he could be stubborn he was always willing to do whatever Ainsley asked. Once in a while he would try to put his foot down and decide not to go in the trailer but other than that he was pretty perfect...definitely perfect for Ainsley. Pete was also well known by others. He was the "go to" horse if anyone needed a helping hand. From people borrowing him for OHSET (in the show ring or roping pen), pageant horsemanship, or a queens run he was the one to get it done.

Ainsley and Pete's bond became even stronger once they competed in the Miss Teen Rodeo Oregon Pageant together and won horsemanship as well as the title of MTRO. Ainsley knew she could trust him no matter what the situation. He was always going to keep her safe. They had so many plans for their year representing rodeo, unfortunately, the plans all changed once COVID shut most rodeos and events down. They did however get to participate in 2 rodeos and make some beautiful runs and some wonderful memories. With the extension of Ainsley's title into 2021 that meant a new year of opportunity for rodeos and events. Unfortunately, God had other plans for Ainsley's boy, he was needed in heaven far sooner than she ever imagined; so, 2021 rodeos would not be possible with Pete. With a lot of heart ache and fond memories she had to move on.

The Gatlins Sugar Jet Memorial award is to honor the relationship that Pete and Ainsley had. They didn't always have the highest score or the flawless pattern but what they did have was their unwavering bond. The one in a million relationship between horse and girl.

The relationship that most of us only dream of.

The winner of this award is chosen based on the relationship between horse and rider. How they work together, their trust in one another and their bond as a pair.

Gatlins Sugar Jet aka Pete-March 8, 1997- January 3, 2021

Good Luck Destiny

Jr. & Teen Miss Rodeo Oregon Judges

Barb Carr is from Oregon and was raised in the horse show ring. She spent 9 years as a member of 4-H and reigned on the Coos County Fair and Rodeo Court. Barb has been a 4-H leader and High School Equestrian Team coach. She currently serves as Secretary and Board Member for the Miss Rodeo America Scholarship Foundation, is a member of Miss Rodeo America National Advisory Council and serves on multiple committees during the Miss Rodeo America Pageant. Barb is a member of and past President of Miss Rodeo Oregon Inc. She has judged at the State level pageant in WA, CA, ID, FL, and MT as well as being invited to speak at numerous clinics. She currently works for the Vernonia School District and in her spare time she enjoys gardening and coaching young aspiring rodeo representatives. Barb and her husband Alan have two daughters and two beautiful grandchildren. Daughter Mackenzie reigned as the 2011 Miss Rodeo Oregon and 2012 Miss Rodeo America.

An Eastern Washington native, Vicki grew up around ranching and rodeo. She has ridden horses since she was a young girl, participating in many disciplines including barrel racing, gaming events, and western pleasure and equitation. Vicki grew up in 4-H and FFA winning awards in both organizations. All of these activities led to her participating in rodeo queen contestants which culminated with the 1994 Miss Rodeo Washington title and competing at the Miss Rodeo America Pageant.

Vicki is the mother to twins, Riley and Macenna and wife of Jose Perez Jr, and is a Senior District Representative for a congressman. Vicki is also on the Miss Rodeo America National Advisory Committee.

Former Miss Rodeo Oregon and Top Five Miss Rodeo America finisher Kayla Vincent lives in Madras, Oregon with her parents and twin brothers on their family cattle ranch. She is a 2011 graduate of Madras High School and a 2016 graduate of Western Oregon University with a Bachelors in Mathematics and Biology. In college Kayla was involved in many campus and community programs including being a resident assistant, a tutor, and a campus tour guide. She was also on the college dance team for five years. Kayla loves spending time with her ranch animals (especially her horses), rodeoing, ranching, crafting and spending time with family and friends. She has just started a new career path of working for state farm and hopes to help broaden their farm and ranch coverage. Kayla's future goals include obtaining a Masters Degree utilizing her math and biology degree to benefit ranching and agribusiness, running the family ranch and having a family of her own.

Returning to the JR/Teen Miss Rodeo Oregon Pageant as a Judge is very exciting for Kayla as she held the Miss Teen Rodeo Oregon title in 2012. Continuing to give back to the Rodeo community is important to Kayla as she embarks on this next chapter in her live.

The lady taking care of the judges this weekend is Julie Singer. She lives in Salem, Oregon on a small farm where she raises beef cattle.

Julie wears many judge's hats herself; 4-H, OHSET, OHA, OFEA and Rodeo Queen Pageants. She is also the current President of MROIF and a member of Miss Rodeo America where she serves as a member of the National Advisory Counsel. Julie is always willing to help out wherever there is a need.

MISS RODEO AMERICA 2020-21 JORDAN TIERNEY

MISS RODEO AMERICA, INC.
101 Pro Rodeo Drive
Colorado Springs, CO 80919
Phone: 719-313-9063
Email: mraioffice@missrodeoamerica.com

Jordan Tierney, Miss Rodeo America 2020-2021, is from Oral, South Dakota. She is the 26-year-old daughter of PRCA World Champion and Hall of Famer, Paul Tierney, and Miss Rodeo South Dakota 1985, Robin Tierney. Jordan is a graduate of Chadron State College with a Bachelor of Arts in Business Administration and a Minor in Marketing.

Jordan competed for the title of Miss Rodeo America 2020 in December 2019 at the Tropicana Hotel in Las Vegas, Nevada as Miss Rodeo South Dakota 2019. In addition to being crowned Miss Rodeo America 2020, Jordan also won the Appearance category.

Due to the global pandemic and cancellation of the Miss Rodeo America 2021 Pageant, Jordan graciously accepted to continue reigning as Miss Rodeo America 2020-2021. This will be the first time since the inception of the Miss Rodeo America Pageant that the First Lady of Professional Rodeo will reign for two years.

During her reign as the official representative of the Professional Rodeo Cowboys Association, Tierney will travel around 100,000 miles and appear at nearly 100 rodeo performances yearly, as well as making appearances at schools, civic groups, and other special events in order to educate the public and create awareness about the sport of rodeo, its sponsors, and the western way of life.

MISS RODEO OREGON 2020-21 SAMANTHA HENRICKS

Grants Pass is the whitewater rafting capital of Oregon, intersected by the powerful Rogue River, and home to Samantha Henricks, Miss Rodeo Oregon 2021. Known to most people as "Sam", the 25-year-old daughter of Lyle and Lisa Henricks enjoys boating, fishing, trail riding, and spending time with friends and family. Sam is employed as a Certified Clinical Medical Assistant at Siskiyou Community Health Center and volunteers as the head coach of the Grants Pass High School Equestrian Team. She is currently enrolled at Rogue Community College where she is working to finish prerequisites before applying for Oregon State University's College of Veterinary Medicine to become a large animal Veterinarian.

Sam grew up in the 4-H program, with horse and swine projects, and ultimately graduated as a nine-year member. In addition, she competed for multiple years in breed shows with her family's performance mules and was a decorated four-year member of Oregon High School Equestrian Teams. Sam has been a fan of rodeo for years but set forth to represent rodeo in 2015 as the Wild Rogue Pro Rodeo Princess and in 2016 as Queen. She also was the 2017 Miss Northwest Professional Rodeo Association Queen. Sam states, "That is the great thing about rodeo. You can grow up a fifth-generation rancher, aspiring barrel racer, or you can grow up peeking through the rails. Either way, the rodeo family adopts you in."

During her reign as 2021 Miss Rodeo Oregon, Sam's goal is to submerge herself into youth programs across the state. She hopes to inspire the younger generation to continue on with the agriculture values they have attained through programs like 4-H, FFA, High School Rodeo, Equestrian Team or open and jackpot shows as well as teach them they can use these values and influences long after they have graduated. Sam believes youth demographics will give the western industry life for years to come, as this is exactly what these programs gave her.

Sam is honored to represent the Beaver State and is proud to be a voice for not only the sport of rodeo, but the family values and western heritage that the sport embodies. She will see you at the next rodeo!
